### United Ag & Turf and United Construction & Forestry Celebrate Army PaYS Signing with Ceremony

**SCARBOROUGH, MAINE** - (May 22, 2023) The Northeast John Deere dealerships of United Ag & Turf and United Construction & Forestry celebrated a partnership agreement on May 19, 2023, as part of the U.S. Army Partnership for Your Success (PaYS) programs. The ceremony took place at 11:30 a. m. at the United Construction & Forestry shared services office at 51 US Route 1, Scarborough, Maine. The public and local media were invited to attend.

The ceremony began with a flag presentation and playing of the national anthem, followed by introductions and remarks by U.S. Army Recruiting Battalion Maine Company Commander, CPT Andrew Doyle, and United Construction & Forestry, United Ag & Turf, CEO, Eric Driscoll. Also in attendance were United Ag & Turf, President, Scott Miller, and VP of Human Resources, Amy Mulcahy along with several United employees. Each company was presented with a certificate of partnership participation plaque. Refreshments and a luncheon followed for signing attendees and guests.

The PaYS Program is a strategic partnership between the U.S. Army and a cross section of corporations, companies, and public sector agencies. The Program provides America's Soldiers with an opportunity to serve their country while they prepare for their future. PaYS Partners guarantee Soldiers an interview and possible employment after the Army.

"The U.S. Army teaches discipline, teamwork, communication, and service while fostering leadership capabilities. These are the exact qualities we are looking for at United," said Eric Driscoll. "Entering this partnership with PaYS reflects the importance that we place on our military veterans. We look forward to providing a welcome outlet for the brave men and women who protect our country following their service career."

#### **About Army PaYS Program**

Per Army PaYS, the program is designed to help Soldiers prepare for a career after the Army by connecting them with employers who understand the skills, discipline, and work ethic that military service members bring to a business. This program is part of a long-term U.S. Army effort to help Soldiers forge professional relationships with businesses and encourage business owners to look to the Army as a plentiful and reliable recruiting source. Since PaYS began in 2000, more than 1,085 employers have partnered with the program. Learn more at: [www.armypays.com](http://www.armypays.com)

#### **About United Ag & Turf and United Construction & Forestry**

United Ag & Turf, NE, along with its sister company, United Construction & Forestry, Inc., operate John Deere dealerships specializing in agriculture, turf, utility vehicles, compact construction, heavy-duty construction, forestry, and road-building equipment. The company was formed in 2018 by consolidating

several John Deere dealerships into one new organization. They operate a total of 42 agriculture and turf locations and 14 construction and forestry locations throughout New England and Eastern New York. The name “United” was chosen to reflect that the new company is about more than one individual. They have a united team of employees that are dedicated to serving customers in all market segments with new and used equipment, parts, service, technology, and support. They also represent other brands such as the Wirtgen Group, Stihl, Honda, Ariens, and more.
