QUIK TRAK

Q Series

These mowers deliver the best of both worlds: innovative stand-on technology, combined with John Deere quality, durability, and support. The result is a tremendous stand-on experience. Stable, even on tricky hills and mounds. Excellent operator positioning, including an adjustable spring step and angled pad.

Q810E: 19hp V-Twin Kawasaki, 36" deck, 8mph, 720lbs **\$11,160**

Q820M: 23.5hp V-Twin Kawasaki, 10mph
48" deck, 1045lbs **\$12,245**
54" deck, 1070lbs **\$12,525**
60" deck, 1095lbs **\$12,810**

Q850M: 28hp V-Twin Kawasaki, 10mph
54" deck, 1095lbs **\$13,095**
60" deck, 1120lbs **\$13,375**

Q850R: 27hp V-Twin Kawasaki, 12mph
54" deck, 1135lbs **\$13,800**
60" deck, 1155lbs **\$14,085**

Q865R: 34.5hp V-Twin Kawasaki, 60" deck, 12mph, 1165lbs **\$15,305 EFI**

Welcome to The New Standard

There's a new standard in stand-on mowers. John Deere Q800 Series QuikTrak™ Stand-On Mowers are totally redesigned from the ground up. They're easy to operate, easy to maintain, and seriously productive. For landscapers like you, these QuikTraks™ are game changers. It's time to take a stand for superior maneuverability.

EASY TO OPERATE

It starts with ergonomic design that aligns you with the machine on hillsides and other challenging terrain. Add a larger platform with suspension and intuitive controls so you can get on and off the equipment easily. Comfort features like adjustable foot holds make you want to keep mowing. Use the onboard mesh storage bin to stow and go. Just like that.

EASY TO MAINTAIN

The updated display panel keeps you current on key maintenance indicators. Check the oil? Just pull off the leaning pad. Change the battery? Open the engine guard for direct engine access so you can keep your QuikTrak™ running strong. At the end of a long day mowing, grab a hose and clean up fast, the way it should be.

SERIOUSLY PRODUCTIVE

These new QuikTraks™ feature an impressive range of horsepower options and 48-, 54-, and 60-inch 7Iron™ PRO mower decks. Larger drive tires (up to 24-inches) for better traction and curb clearance. Power up and mow all day with 12-gallon (45.4 L) fuel capacity. Twin low-profile six-gallon fuel tanks draw equally from each side for better stability and visibility.

WALK - BEHIND

M Series, R Series

When it comes to the controls on the M & R Series professional walk-behind mowers, your hands were what we thought of first. That's what led us to design a control layout that your hands are really going to enjoy.

W36M: 14.5hp V-Twin Kawasaki, 36" full floating deck, 6.5mph, recoil start, 590lbs **\$6,830**

W48M: 14.5hp V-Twin Kawasaki, 48" full floating deck, 6.5mph, recoil start, 645lbs **\$7,170**

W36R: 15.5hp V-Twin Kawasaki, 36" full floating deck, 7.5mph, key start, 655lbs **\$8,605**

W48R: 19hp V-Twin Kawasaki, 48" full floating deck, 7.5mph, key start, 705lbs **\$9,540**

W52R: 19hp V-Twin Kawasaki, 52" full floating deck, 7.5mph, key start, 720lbs **\$10,030**

W61R: 23.5hp V-Twin EFI Kawasaki, 61" full floating deck, 7.5mph, key start, 785lbs **\$11,590**

Walk-Behind Features:

All Walk-Behinds are designed with a self-propelled hydrostatic drive system to give a smooth, safe, & easy operation when loading on trailers, working in confined areas, or on steep inclines.

Walk-Behinds feature intuitive control placement, offering immediate comfort & precision accuracy. All within a finger's reach!
