

## Why do we recommend PowerGard?

- ✓ **Inexpensive Addition:** John Deere tractors are the best in the industry, and if you start with a great tractor adding extra warranty protection is surprisingly affordable!
- ✓ **Save Money:** Without a PowerGard™ extended warranty, the owner is responsible for all transportation costs. PowerGard™ also assists in the cost of transportation for warranty repairs!
- ✓ **No Deductible:** All Residential PowerGard™ plans come with a \$0 deductible, virtually unheard of in the equipment industry.
- ✓ **It's a Real Warranty:** Unlike warranties offered in the automotive world, this is not an aftermarket warranty. PowerGard™ warranties are from John Deere and are an exact continuation of the factory warranty.
- ✓ **Adds Value:** PowerGard™ can add value to your John Deere and can be transferred to a new owner should you decide to sell or trade.
- ✓ **Flexible:** With an array of PowerGard™ offerings based on budget and usage, there's always an appropriate option.
- ✓ **Premium Parts:** Only new John Deere parts are used during the warranty process.
